

The dental team from Dr. Michael Peer's dental office, along with several of their family members, participated in the Halifax County Cancer Association's annual "Walk for Hope" on September 18th. The team was able to present the HCCA with over \$750 to use in assisting cancer patients in Halifax County with their medical expenses. This annual event raised over \$60,000 this year through the participation of various individuals and groups from the community.
